Data sheet: WL-611

Product code : WL-611
Product name : Wireless Router 300N
EAN code : 8716502021475

The Wireless Router 300N makes it possible to wirelessly share files and broadband Internet access, as well as the peripheral devices attached to the desktop PC's and notebooks in your network.

This 300N router guarantees reliable performance with demanding applications, such as HD video and audio, VoIP, multiplayer gaming and the transfer of large amounts of data with speeds up to 300 Mbps. Thanks to the WPS hard button, you can establish a secure wireless network connection with just the push of a button.

Optimal performance

300 Mbps speed and reliable range
